

Smilers Extra

Smilers Pre-School

Term 5 - 2019

Lunch club needs to be booked and paid for at least 1 week in advance - please check availability with an Auntie

Hello, I am smiley man!

☺ You should have now found out which school your child will be attending in September! Please let us know when you have received confirmation and where they will be going, we like to get in touch with the schools and arrange visits with the teachers if possible.

☺ This term we will again be walking a little further afield and we will need your help again please! A really big THANK YOU to everyone that helped last term.

Each afternoon for a week we will walk to a different location, it might be in the wood or to Podkin Meadow. It might be to the Co-op, the Cafe or the Library in the village and/or a ride on a bus.

Please help if you are able, as without sufficient adult numbers we may not be able to go.

At the library the children will be read a story by the librarian and will be able to take a book if they are a member.

At the Co-op they will be able to do some shopping and help pay for their own items.

☺ Everyone has now had a turn taking Smiley Man, we hope you have enjoyed looking after him and sharing adventures. We have enjoyed reading what you've been doing and seeing your lovely photos and drawings.

☺ Please remember we have a selection of library books for the children to borrow each afternoon.

WALKS

The walks for this term will be **W/C 20th May** - every afternoon. Please see separate sheet if you are able to help.

Please make sure they have suitable clothing and footwear.

PE Sessions

We encourage the children to take part in physical activity and help them to learn how their bodies work and to recognize how exercise affects them.

We take them down into the church and do some warming up and stretching movements, leading to more vigorous games.

For this we encourage the children to remove their shoes and socks. PE sessions for this term will be **W/C 13th May** - every afternoon.

Curriculum

During this term we will be thinking about Maths, including calculations, counting, matching, sorting and comparing, size and weight. We will be looking at shapes and patterns also - all through our usual games, crafts and activities.

LEAVERS PHOTOGRAPH

We have arranged for a photographer to come and take a photo of all our children that are leaving us to go to school. This will be on **Monday 20th May** If your child does not usually attend on a **Monday** please bring them at **12.30** it would be great if we could include all the leavers!
