Curriculum

During this term we will be thinking about the alphabet, including letter sounds, formation and recognition. This will be done through fun games and activities.

We will be taking part in 'Disco dough' sessions again, where we manipulate play dough in time to music in order to work up the muscles needed for mark making and writing.

We will also be using a programme called 'Write dance', which will also aid in writing skills through story and actions.

☺ I will be contacting the schools that the children will be attending in September early in this term. Hopefully they will be able to arrange visits to the children at Smilers.

We will let the teachers know which children play together and which friendship groups there are, but it will be up to the schools to decide how they wish to organize the classes.

As a final stage of their Smilers learning journey your child's key person will be completing your child's record of transfer to school - this allows schools to begin to build a picture of your child for the next part of their learning experience.

☺ This term we will be going to the woods or Podkin Meadow every week for 4 weeks, on a different day, for Forest school. The children will need suitable clothing and footwear for running and climbing in the woods. If you need to collect your child early in the afternoon, please speak to Tracy or Chris about collecting them from the woods.

For a list of the dates, please see opposite*
Please help if you are able, as without sufficient adult numbers we may not be able to go.

☺ On Tuesday, July 16th we have planned a trip to Kidzone (ME1 3QJ) for all our school leavers. There is no cost to yourselves, all you need to do is bring and collect your child, you do not have to stay with them.

We will be starting at 1.00pm and finishing at 3.00pm. Please collect the children from Smilers straight after lunch at 12.30 and take them to Kidzone where Aunties will be waiting for them. If you have difficulty in collecting your child at lunch time, please speak to an Auntie. The children will need to wear suitable clothing for running and climbing, and also socks please.

Please make sure they have suitable clothing and footwear.

PE Sessions

We encourage the children to take part in physical activity and help them to learn how their bodies work and to recognize how exercise affects them.

We take them down into the church and do some warming up and stretching movements, leading to more vigorous games.

For this we encourage the children to remove their shoes and socks. PE sessions for this term will be **W/C 8th July** - every afternoon.
