

Smilers Extra

Term 6 - 2020

Smilers Pre-School

Good bye to all our leavers - have fun at big school

Goodbye

Curriculum

During this term we will be thinking about the alphabet, including letter sounds, formation and recognition. This will be done through fun games and activities.

We will be taking part in 'Disco dough' sessions again, where we manipulate play dough in time to music in order to work up the muscles needed for mark making and writing.

We will also be using a programme called 'Write dance', which will also aid in writing skills through story and actions.

☺ I will be contacting the schools that the children will be attending in September this term. If you haven't let us know which school your child is going to please email us!

We will let the teachers know which children play together and which friendship groups there are, but it will be up to the schools to decide how they wish to organize the classes.

As a final stage of their Smilers learning journey your child's key person will be completing your child's record of transfer to school - this allows schools to begin to build a picture of your child for the next part of their learning experience. Please think about what you would like to put in the parents section

'Unique information for parents/carers Please comment about your child's progress and any other information you would like to share as your child moves on.'

If you could email the information you would like to say about your child we can then attach it to their form. We will in a couple of weeks be inviting you to come and collect your child's learning journey and have an opportunity to say goodbye to the Aunties if you would like too - outside and socially distanced of course!

We hope to be able to organize a 'leavers party' during the new academic year so everyone can say goodbye... we will send details!!!

Walks

We will not be going on any large walks this term but we might walk round the local area and use the space in the vicinity of our Church.

PE Sessions

We encourage the children to take part in physical activity and help them to learn how their bodies work and to recognize how exercise affects them.

Within the church we will do some warming up and stretching movements, leading to more vigorous games.

For this we encourage the children to remove their shoes and socks. Please ensure their footwear is suitable for this!

PE sessions for this term will be **6th & 7th July** - both afternoons.
